THE HISTORY

Coggeshall United Football Club was founded in 2017 by former Barnet midfielder Cliff Akurang. Cliff started the club after working at Coggeshall Town, Heybridge Swifts and Braintree Academy. Since the formation of the club, Cliff has worked tirelessly to bring the playing squad up to a high standard, winning the Essex Border League and narrowly missing out on promotion in the 18/19 season against Hashtag United.

who want to do the village proud. One of the clubs best players now plays for Chelmsford City in the National League South another now plays for Hashtag United. Many others have stayed at the club or have come back after being elsewhere to continue the ongoing project at Coggeshall United.

We welcome all races/ genders/creed at Coggeshall United, we pride ourselves in our behaviour off and on the pitch. Cliff puts his years of experience on the pitch to his advantage.

Cliff also has a brilliant Rapport with several youth teams in and around Braintree and Essex. Some the club's players have come from Coggeshall Town but mostly they are local boys,

THE FA VASE

It was the evening of 18th April 1975, a Friday. Fish supper, served in newspaper, had been finished and the news was on TV. I decided to go to bed, but I never slept a wink. I was too excited. I was up early on the Saturday morning. A dream had come true, Hoddesdon Town were going to Wembley, to play Epsom and Ewell, in the first ever FA Vase Final.

It was 1963, as a 4 year old, when I started going to Lowfield, home of the Lilywhites. Now, 2 weeks before my 16th birthday, I was going to watch them, on the biggest stage of all, Wembley Stadium. I met up with Uncle Ron, Cousin Barry and friend Trevor. We walked through the town, where many shops were decorated in white and black, Hoddesdon's colours. We soon got to the ground, where we were met by a long line of coaches. We found our coach

and boarded.

Happy faces, some I knew, some I didn't. Before too long, the coach was full and the convoy left Hoddesdon, for the relatively short journey to the twin towers. On arrival in the car park, I noticed many cars, with their occupants, enjoying picnics out of the boot.

The turnstiles opened and I walked into the empty stadium, WOW just WOW. I could see the name of the two teams on the scoreboard. The reality of the occasion was beginning to sink in. Hoddesdon supporters were in the tunnel end. The stadium began to fill up and the teams came out to inspect the pitch, all in their smart suits. A couple of them came over to speak to us, they sounded nervous, but so was I.

At 2.55, the teams came from the tunnel and entered the pitch. The sound was fantastic, the players waved and lined up in

front of the Royal Box. At precisely 3.00, the whistle went and the game started.

Incredibly, the first half came and went, in a blink of the eye. When half time came, Hoddesdon led 2-0, both goals scored by captain, Dickie Sedgwick. The Hoddesdon fans were in good voice "We're going to win the Vase"

The second half started and Epsom and Ewell were pushing forward, trying to get back into the game and after an hours play, they scored. 2-1, could Hoddesdon hang on? Great work by Gulvin, in the Hoddesdon goal, kept the Epsom forwards at bay. The final whistle went and Hoddesdon had won.

"Ee-Ay-Addio we won the Vase" So many happy faces, as the Hoddesdon players walked up the steps, to get presented with the FA Vase. A lap of honour and we got to see the Vase close up. A surreal feeling.

When the celebrations died down, we left the stadium and boarded the coach. We sung and shouted the whole way home.

Back at Lowfield, we walked slowly into town, where the team were to parade the trophy that evening. The High Street was packed, everyone had come out to celebrate

Not quite an open top bus, more the chairman's car with a sun-roof and the team coach following on behind. The victorious team went past and disappeared into the distance. I walked home, so happy at what had happened earlier.

I went to bed, still unable to sleep, just reliving a special day.

At 5.00 this afternoon, which one of these two teams in front of us, will be dreaming of a day out at Wembley, next May.

THE VISITORS

Today, the club offers local young people of all backgrounds the opportunity to play semi-professional football in the Essex Senior Football League. It broke down many barriers and was one of the first Asian teams to play in the famous FA Cup.

Kit Colours:

It all began with a football tour to Bangladesh in 1996 by a group of the best Bangladeshi players in London. There was a realisation that talent was being wasted with the divisions that existed and a solution was required to tackle these divisions.

Away: Green Top / Red Shorts / Green Socks

Third: Orange Top / Black Shorts / Black Socks

Sporting Bengal United FC was therefore established in 1996 to challenge the under-representation of Asians in football and to offer Bangladeshi and other young Asian people a chance to play football at a higher level. In eight years, the team rose from amateur Sunday league football to semi-professional football.
