

Coggeshall United Football Club V Barkingside KO: 15:00PM

Club History

Coggeshall United Football Club was formed in 2017, with former professional footballer, Cliff Akurang, brought in as manager shortly thereafter before taking over as chairman and owner of the club midway through the 2017/2018 season which culminated in the club's promotion. We are currently in our second ever season as a football club in the Thurlow Nunn Eastern Counties League First Division (South). Now, with the support of friend and Club Secretary, Brian Sawyer, has adopted an exciting style of football that brings together a blend of some of the top players at this level with talented young players. As a club, along with success on the field of play, we are looking to engage with the community and become a focal point for all local people, irrespective of their differences, as a place to come together and enjoy the camaraderie that comes with football.

"We follow football in a country where everyone is different and we want to ensure there are no barriers to anyone who wants to support their local team. The community is the head and soul of our club and young people are our future. So bring your families along on match days and experience our unique club and meet local heroes and potential stars in the making."

Cliff Akurang, Club Owner, Chairman and Manager.

Call **Cliff Akurang** for more details: **07792984087**

As the new season dawns. Coggeshall United are now looking for sponsors to help take the club forward.

We have a range of packages available. Anyone interested should contact Cliff Akurang: 07792984087

Welcome to the new season!

On behalf of the team, both on and off the field, I would like to take this opportunity to welcome you to West Street Stadium for what is hoped will be another fantastic season for the club. I hope that you enjoy your visit to the ground today in what is proving to be another thrilling season for the Club as we seek to push for promotion.

I also hope that you will join us in welcoming all of our opponents to West Street this month and look forward to some more exciting matches.

The starting XI's will be published next to the changing rooms by 15:00pm

Remember, we are **UNITED!**

Andrew Douglas, Club President.

Does your Will provide you with the reassurance that YOU and YOUR FAMILY need . . . ?

For most of you reading this, the need for a valid Will is likely to be the last thing on your mind.

However, there are risks involved with **NOT** having a valid Will for you , your family and loved ones:

- (a) Your estate passing to someone that you have no intention of leaving it to under the rules of intestacy, rather than in keeping with what you would otherwise wish to happen with the value of your estate;
- (b) Not being able to limit (or even eliminate) the need to pay inheritance tax on the value of your estate that would reduce the amount your beneficiaries will receive;
- (c) Your children under the age of 18 potentially having to go into care if you have not named a guardian or guardians in a valid Will whilst their guardianship is resolved which could take some considerable time;

AND

- (d) The fact you cannot say at what age you want your children to inherit their share of your estate directly so as to safeguard their future.

Contact us now to arrange a **FREE** initial consultation, **DAY OR NIGHT**, to allow us to help you, your family and loved ones have the reassurance you need, both now and in the future.

Barkingside FC Club History

Barkingside Football Club, based in Barkingside in the London Borough of Redbridge, was formed by a small group of enthusiasts in 1889, playing in the Ilford League, on a ground opposite the State Cinema in Barkingside High Road. They gained their first honour after the First World War sharing the Championship of the Ilford League. The club then disbanded in 1922/23 due to lack of support but resumed in 1925 as Barkingside Boys Guild in the Ilford Minor League. The name was then changed to Barkingside Old Boys and then the "old boys" prefix was dropped in the 1930s. The club gained the use of a pitch at Barkingside Recreation Ground, where they played for 25 years before moving to their present ground in Station Road. The Club then became very successful in local football, winning the Ilford and District League on several occasions prior to World War II. The club resumed immediately after the Second World War and after a few seasons in the Ilford League they entered the South Essex League, finishing runners-up in their first season. The next season the club joined the Walthamstow League and also obtained membership of the Amateur Football Alliance. The club then entered the London League in 1950 and finished runners-up in their first season. They won the League Cup in 1956 and were beaten finalists in 1953 and 1963. They also won the Ilford Festival Cup and the Romford Charity Cup in 1952. Barkingside first

entered the London Senior Cup in 1957/58. The club then joined the newly formed Greater London League in 1964/65 and won promotion to the premier division in 1965/66, but were relegated after only one season. A fire in the early 1970s forced the club to play its home fixtures at Woodford Avenue until the clubhouse was rebuilt. Barkingside entered the newly formed London Spartan League in 1976/77 and finished fourth, which earned them promotion to the Premier Division. This promotion was short-lived and they were relegated the following season. The Harry Sunderland Shield was won in 1984 and they were runners-up in the same competition in 1985. They also attained a creditable 5th-place finish in the League in 1985/86 which earned them a return to the Premier Division, where they remained until joining the Spartan South Midlands League, which was born by the merger of the London Spartan League and the South Midlands League in 1996/97. The league championship and the London Senior Cup were won in a memorable first season. Prior to the start of season 1998/99 the club came under the control of new owners and work then commenced on the ground, which was christened Oakside Stadium, to bring it up to Isthmian League standard. In 1998/99 they won the Premier Division again but were denied promotion to the Isthmian League. This setback resulted in the club wishing to move on to the Essex Senior League, but this request was denied due to an FA ruling that did not allow sideways moves within the soccer pyramid. To ensure that its desire to move was possible the club withdrew from senior football for one season and entered the Essex Senior League in 2000/01; a successful first season saw them finish third in the league and winners of the Gordon Brasted Memorial Cup. In the following season there were massive changes at the Club: the senior management team and committee moved on en-bloc to a Ryman Premier Club and the lease at Oakside was sold on to Ford United (now Redbridge) who needed to find a permanent home to allow their progression up the football pyramid. Barkingside FC derived considerable benefits from this. Considerable investment by Jimmy Chapman, the Ford/Redbridge Chairman, has seen Oakside developed to a grade 1 ground and Barkingside have a permanent ground-share agreement; indeed to demonstrate the intention that Barkingside would continue Jimmy Chapman became their president in a gesture of support. Seasons 2001/02, 2002/03, 2003/04 saw the club finish in fairly moderate mid-table positions as the new committee worked hard to consolidate the long-term future. The club continued to move forward competing hard for the Essex Senior League title and reaching 2 finals in the Gordon Brasted Memorial

Trophy only to lose them to Hornchurch and Brentwood Town. In the 2007/08 season the club finished 3rd in the Essex Senior League finishing behind Enfield 1893 and champions Concord Rangers in the table. However they had led the division for some time but fell away towards the end losing 3 out of their last 4 games. The club is now entering a new era after the Taylor family left the club after 8 years at the helm of the club. After a turbulent start to the season where due to boardroom discontent Jimmy Flanagan took charge of the ship towards the end of December and with Tony Fenn's management team and a good group of players led the club to 5th place in the Essex Senior League and a well deserved 2-0 win over Burnham Ramblers, in the Essex Senior League Cup Final. It was a fitting end for the club after a hard season in which everyone involved at the club played their part! 2012/13 things got even better for Barkingside after a terrific campaign and a 2nd place finish, Side were promoted into the Ryman League One North and step 4 of the non-league pyramid. Under the management of Matt Frew (now in his second-full season) the club also won the Essex Senior League Cup final 9-1 against Bowers & Pitsea. 2012/14 saw the club maintain their Ryman League status with a game to go as Frew's side finished 20th. It was a marvellous achievement considering at one stage the club were struggling after losing 11 matches in a row. At the end of the season, it was announced that the club would be moving to Cricklefields to ground-share with Ilford ending 56 years of playing at the Oakside. The club earned a reprieve from relegation after finishing 22nd. Frew 22nd in 2014/15. Matt Frew decided to leave the club at the end of the season and was replaced by Gus Gulfer. Unfortunately the club finished 23rd and were relegated back to the Essex Senior League for at the end of the 2015/16 season, after three seasons as a Ryman club. Under Gulfer they finished 10th back in the Essex Senior League. Gulfer would leave the club at the end of the season with ex-Clapton manager Michael Walther being appointed the club's new manager for the 2017/18 season.

Barkingside FC Squad List

Berkcan Belindir
Nana Nsiah Boadi

To increase attendances at our grounds, the Thurlow Nunn League, in conjunction with its clubs and its sponsor, Thurlow Nunn, is promoting the need to turn matches into a more family-orientated entertainment in a family-friendly environment.

The League understands that football is a game of intensity and passion. In the heat of the moment, frustrations grow, tempers can be lost and there is an urgent need for players and club management to share their feelings with others. The League also understands that, in that moment, language may be used that others may not feel is appropriate in a family setting.

Nothing will send parents and/or grandparents heading quickly for the exits with their youngsters, never to return, than a constant stream of foul language. All we ask is that you encourage players and management to keep it down for the kids.

To assist match officials identify those within the technical areas, the League has provided florescent orange or green bibs to all clubs competing in the Premier Division of the League and the Eastern Senior League. Please remind those in our technical areas that these should be used for all competitions.

Thank you.
